Tony lights up naked wife

THIS is definitely a novel way to express your love on Valentine's Day.

Tonight Tony Day will show his love for his wife by shining a spotlight on her naked breasts and waiting for 1000 people to cheer.

You see Day is the stage manager of *Busting Out*, which opens tonight

in Brisbane and will appear on the Gold Coast on February 25, and his wife, Bev Killick, is a star of the show. Tony and Bev were married on television on *Surprise Wedding* and recently celebrated a second honeymoon in Vanuatu while Bev was performing on a cruise ship. They met when Bev was performing stand-up comedy in pubs in Melbourne and

Tony was stage and lighting manager.

She thought he may be keen on her when she kept getting extra pretty lighting. She gave him a 10-day window in which to ask her out and he left it until the last day when he turned up with his overnight bag. So, a one-night stand has turned into a nine-year partnership with a beautiful baby.
